ASIA's FIRST BIO-HACKATHON

BIOVERSE 2024

OCT 18TH -19TH

About Hackathon

"Bio-Verse" is a 36-hour hackathon organized by the Department of Computer Science. The event kicks off on 18th October at 8:30 AM and concludes on 19th October 2024 by 8:00 PM. Participants will be presented with problem statements, which they must solve using their preferred technologies. Solutions will be evaluated by a panel of judges, who will select the winners. The winning teams will receive cash prizes.

Join us for an engaging paper symposium at our biotechnology event. Participants are invited to present their published research papers, showcasing innovative solutions and advancements in the field. This is a fantastic opportunity to share your work, connect with experts, and inspire new ideas in biotechnology!

Bio-Conference will host a panel discussion with eminent experts, addressing current challenges and future directions in biotechnology.
